Formed in 2002, Intelligent Fiber Network, LLC (IFN) is comprised by twenty local exchange telephone companies throughout the state. They offer data center, Internet backbone, and data transport services over state-of-the-art Ethernet fiber networks, with service in the State of Indiana and throughout the US via a network of national carrier partners. For more information, please visit IFN's website at www.intelligentfiber.com or call (317) 280-4636.
